ABSTRAK

YASMINE NARAINDAS SETIADI, 2015, Jurusan Teknik Informatika, Konsentrasi Pemrograman Web, Universitas Dian Nuswantoro Semarang, Sistem Informasi Administrasi Keuangan Yayasan Al-Aqso Pesantren Hidayatullah Kudus berbasis Web. Laporan Tugas Akhir (TA).Pelaporan dana keuangan dan Pengajuan dana keuangan pada administrasi di Yayasan Al-Aqso Pesantren Hidayatullah masih dilakukan secara manual. Metode seperti ini akan memperlambat perkembangan pada setiap kegiatan yang ada di Yayasan. Karena itu diperkenalkan metode Pelaporan dan Pengajuan dana keuangan melalui media website information. Penelitian ini bertujuan untuk mengembangkan metode administrasi, yaitu membuat Sistem Informasi Administrasi Keuangan bagi semua bendahara setiap sekolah di bawah Yayasan Al-Aqso dan Ketua Yayasan yang tidak menyempatkan waktu nya untuk melihat langsung Pengajuan dan Pelaporan dana yang transaksi. Metode yang digunakan dalam perancangan system informasi berbasis website ini menggunakan struktur, yaitu menggunakan beberapa alat bantu seperti Data Flow Diagram (DFD) dan Entity Relationship Diagram (ERD). Perangkat lunak pendukung yang digunakan adalah Photoshop, Notepad++, dan database MySQL sebagai pembangun serta dokumentasi program dan laporan. Hasil adanya system informasi bagi setiap bendahara sekolah ini diharapkan akan mempermudah ketua yayasan untuk mengetahui informasi Pengajuan dan Pelaporan dana keuangan Yayasan Al-Aqso.

ABSTRACT

YASMINE NARAINDAS SETIADI, 2015, the Department of Information, Concentration Web Programming, University of Dian Nuswantoro Semarang, Financial Administration Information System Yayasan Al-Aqsa Holy Pesantren Hidayatullah Web-based. Final Project Report (TA). Reporting of financial funds and submission of financial funds on administration at the Al-Aqsa Foundation Pesantren Hidayatullah still done manually. Methods such as this would slow the development on any existing activities in the Foundation. Since it was introduced methods of reporting and submission of financial funds through media website information. This research aims to develop methods of administration, which is making the Financial Administration Information System to all the treasurers of each school under the Al-Aqsa Foundation and Chairman of the Foundation which do not take the time to see the Filing and Reporting directly fund the transaction. The method used in the design of the web-based information system using the structure, ie using several tools such as Data Flow Diagrams (DFD) and Entity Relationship Diagram (ERD). Support software used was Photoshop, Notepad ++, and database MySQL as a builder as well as program documentation and reports. The result of the system of information for every school treasurer is expected to facilitate the foundation's president to know information submission and reporting of financial funds Al-Aqsa Foundation.
